ANNE HOGAN PERRY REALTOR

Anne brings to her clients the depth of her business background teamed with her strong commitment towards professionalism and client satisfaction. Anne view real estate as a team effort and partnership; her success stems from the success of her clients. Referrals from client were the key to Anne's achievement as Mary Worrall's Top Producer for 1994. Anne's focus areas have followed those of her clients. From the first time home buyer to high end sophisticated estate purchaser, all receive the same high levels of service and enthusiasm. Anne was born and raised on the "Gold Coast" of Oahu. Prior to moving back to Honolulu in 1993, she lived the past ten years on Maui and Kauai. Her Kamanina background teamed with her neighbor island exposure gives her a unique, in depth and first hand perspective on the statewide real estate market. Anne is one of the few brokers in Hawaii who has actively sold real estate on four islands.
